AN

IRAQ IS LIKELY TO PERSIST AS A HIGH-RISK ENVIRONMENT FOR THE FORESEEABLE FUTURE.

WITH ONGOING THREATS FROM ISIS, SECTARIANISM, SHIA MILITIAS AND INTERNAL CORRUPTION COMPOUNDED BY THE REACH OF EXTRA TERRITORIAL LAW AFFECTING INTERNATIONAL FIRMS, THIS IS NOT AN EASY AREA IN WHICH TO OPERATE OR DO BUSINESS.

AN OPAQUE & COMPLEX SYSTEM

In addition, but not uniquely for the broader region, Iraq has an opaque and often overly complex and bureaucratic system of governance and regulation. This additional friction can be terminal for business.

Proelium Law can provide you and your business with the knowledge and guidance to allow you to navigate these systems effectively and quickly.

PROELIUM LAW IN IRAQ

We have Iraqi lawyers in Basra, Baghdad and Erbil who are supervised through our London office, ensuring standards are maintained but without the cost of engaging law firms based in Western capital cities.

Proelium Law brings a profound understanding of the realities of operating on the ground in Iraq, that knowledge being directly useful across many sectors whether focused on private security, extractives or international development.

ADVICE, WHATEVER YOUR SITUATION

Proelium Law can assist at any stage of your problem or planning, whether you require advice in starting a company, the most effective structure for an existing company, you are struggling with processes in general or need rapid legal advice to deal with a corporate or commercial matter; across the full legal spectrum in Iraq, we can find a solution.

THE LEGAL RISK MAP®

Our free, confidential, no obligation Legal Risk Map gives a basic review of your organisation's legal health.

It looks at how well your legal infrastructure cover you across 11 themes, such as Corporate

Structures; Policies; Commercial Contracts; Succession Planning; Duty of Care; Use of weapons; Insurance and Data Protection.

For more detailed information, please see our Legal Risk Map brochure; visit <https://proeliumlaw.com/legal-risk-map/> or contact us by the methods overleaf.

HOW WE CAN HELP

Our approach is to speak the language of the sectors we serve. We're a non-traditional law firm that cuts through the noise, as we have deep personal experience of working and living in high-risk jurisdictions.

That, along with our low overheads, keeps prices down and means also that we understand the importance of giving a personal service, 24/7, to people who frankly have more important things to worry about.
