Afghanistan
Legal and Risk Reduction

AFGHANISTAN WAS CHALLENGING TO ALEXANDER THE GREAT, THE RUSSIANS STRUGGLED AND THE INTERNATIONAL COMMUNITY IS STILL EMBROILED SINCE THE INVASION OF 2001.

WITH ONGOING THREATS FROM THE TALIBAN AND MORE RECENTLY ISIS, WITH AFGHANISTAN BEING USED AS A PROXY BATTLEFIELD FOR SEVERAL PROMINENT REGIONAL ACTORS AND WITH INTERNAL CORRUPTION COMPOUNDED BY THE REACH OF EXTRA TERRITORIAL LAW AFFECTING INTERNATIONAL FIRMS, THE COUNTRY PRESENTS AN ENVIRONMENT THAT IS AMONG THE MOST CHALLENGING ON EARTH.

COMPLEX AND BUREAUCRATIC SYSTEMS

In addition, but not uniquely for the broader region, Afghanistan has an opaque and often overly complex and bureaucratic system of governance and regulation. This additional friction can be terminal for business.

Proelium Law provides the knowledge and guidance you and your business need to navigate these systems effectively and quickly.

PROELIUM LAW OFFICE IN AFGHANISTAN

Based from our offices in Wazir Akbar Khan, we have Afghan lawyers in Kabul who are supervised through our London headquarters, ensuring standards are maintained but without the cost of engaging law firms based in Western capital cities. The offices are secure and have off-road parking, offering a convenient facility for our in-country clients.

Proelium Law brings a profound understanding of the realities of operating on the ground in Afghanistan, that knowledge being directly useful across many sectors whether focused on private security, extractives or international development.

ADVICE, WHATEVER YOUR SITUATION

Proelium Law can assist at any stage of your problem or planning, whether you require advice in starting a company, the most effective structure for an existing company, you are struggling with processes in general or need rapid legal advice to deal with a corporate or commercial matter; across the full spectrum in Afghanistan, we can find a solution.

WHO WE ARE

Proelium Law LLP offers internationally focused legal advice and support centred on high-risk and complex jurisdictions.

Proelium Law LLP brings over 130 years' experience of high-risk jurisdictions and complex environments, and is staffed by experts in those fields.

With its deep expertise in conflict environments and risk, Proelium has established itself as the sector's pre-eminent law firm.

We keep you informed about issues that might affect your business, viewing our relationship as an enduring partnership.

Compared to other law firms, Proelium is uniquely well qualified to offer advice on matters pertaining to failed, failing and complex environments.

Proelium Law, along with its sector-leading partner, Harrison Clark Rickerbys, can offer the full range of legal services.

HOW WE CAN HELP

Our approach is to speak the language of the sectors we serve. We're a non-traditional law firm that cuts through the noise, as we have deep personal experience of working and living in high-risk jurisdictions.

That, along with our low overheads, keeps prices down and means also that we understand the importance of giving a personal service, 24/7, to people who frankly have more important things to worry about.
