Risk Management Companies

PRIVATE SECURITY COMPANIES (PSC) AND SECURITY RISK MANAGEMENT (SRM) ENTITIES ARE NO STRANGERS TO RISK AND ARE OFTEN THE FIRST TO BE CALLED WHEN SERIOUS PROBLEMS PRESENT THEMSELVES. WHILE PHYSICAL DANGER AND SECURITY RISKS ARE OFTEN HANDLED WELL, THIS SECTOR IS FREQUENTLY LESS GOOD AT MANAGING ITS LEGAL RISK.

PSC and SRMs are used to handling high-risk situations, therefore tend to have a higher than normal risk-tolerance. But taking a high-risk approach to legal matters can spell disaster.

In the past decade the legal terrain of conflict, security, defence and risk mitigation has changed almost beyond recognition and companies who are not adroit at finessing those changes into their operations may run into danger.

Features of this new legal terrain include:

REINFORCED LEGISLATION AROUND BRIBERY AND CORRUPTION

Paying to 'make a problem go away' could leave you in trouble.

We provide you with a comprehensive understanding of your liabilities and the associated risks.

MONEY-LAUNDERING AND COUNTER TERRORIST FINANCING LAWS

Have you carried out the appropriate checks on local national staff? Are you handing money to sanctioned individuals or terrorists without realising it? Such matters could leave the business vulnerable and exposed.

THE LEGAL RISK MAP®

Our free, confidential, no obligation legal risk assessment maps a basic review of your organisation's legal health.

It looks at how well your legal infrastructure cover you across 11 themes, such as Corporate

We can guide you through the minefield, highlighting issues of which you may not be aware.

A SHARPER FOCUS ON NEGLIGENCE

When it comes to employees and consultants employed in high risk areas more information may be required. If you think because they're consultants you don't owe a duty of care, you could well be wrong.

We can provide you with the guidance you need to ensure you discharge your duties within the law and provide adequate protection to those that operate on your behalf as well as your business.

LOCAL LAWS

Local laws are being more robustly enforced, and new compliance regimes being placed on ex-pat companies working in hostile environments.

Our local knowledge and expertise will keep you up to date with the latest legislation and interpretation of case laws to ensure you remain safe from litigation.
